

Keyrings

There are currently three different shapes of keyring: Oval, Heart and Leaf each of which come with a selection of Dynamite designs. The keyring are made of Metal (highly polished chrome) and are extremely good quality.

The high quality images are struck onto metal plates and have been impregnated deep into the metal surface, the plate is then secured to the shaped recess located on the surface of the keyring with a glue pad. All keyrings come fully assembled.

These keyrings are not be suitable for young children.

Keyrings are sold individually and cost just £2.50 each

(Please note: A donation from every sale goes to Sporting Dynamite)

Parents, please show your support for the club with your own dynamite keyring.
