

## Street Cheer 2009

Congratulations to both teams who took part in the National Street Cheer Championships at Fenton Manor. Stoke on Trent, on 18th Oct 2009. It was a long but fantastic day that was full of surprises, including the introduction of our teams official partners mascot "Bud Man" and our super brand new banners supplied by Emma Littlewood and Natalie Monk's parents (thanks for all your efforts, wicked banners)

The event was a total success for Sporting Dynamite with both teams coming home with trophies. The Mini Peeps (X-cite) came 2nd in the Street Games category and then followed that up with an equally impressive 2nd in the Community category, well done to Julie and her team, "we are proud of you"

This was matched by the Peeps (X-treem) who finished 2nd in the Street Games category and then followed that up with another brilliant performance placing 4th in the hotly contested Community category, well done to Sereena and her team, "we are proud of you too"

Well done to our two brave dancers, Megan Aston and Natalie Monk who overcame their own fears to take part in the freestyle event, which is a massive achievement in it's self, not many people can get on a stage in front of over 1000 people and dance, not only that, they gave it a good go and looked pretty cool in the process.

We also have to say an extremely well done to Sereena who was awarded a special trophy recognising her contribution and efforts to the development of Street Cheer not only with Sporting Dynamite but with Eastlands as well. The "Sports Volunteering Cup, Young volunteer of the year" was well deserved and something that has given me the greatest pride to witness "we are extremely proud of you Sereena"

Well done to Julie, Sereena, both teams and a special thank you to our more than impressive helpers, who worked tirelessly throughout the whole day:

Emma Littlewood - Teenies, chaperone, toilet runs, dinners, make up and hair

Sharron Aston - Teenies, chaperone, toilet runs, dinners, make up and hair

Michelle Simmonett - Junior A, chaperone, toilet runs, dinners, make up and hair

Claire Evans - Junior A, buddie, chaperone, toilet runs, dinners,

Ian Upton - Kit, buddie (brilliant job, took some nerve)

Jackie Mannion - Junior A, buddie, chaperone (sorry you weren't well)

You all performed brilliantly on the day making the coaches job much easier and therefore ensuring that it was a fantastic day for all.

"We are proud of you" "say we are proud of you"

"We are proud of you" "say we are proud of you"

"We are proud of you" "say we are proud of you"

"wooooooooooh Good Job"

and from the president of Sporting Dynamite: a very well deserved "Thank You" Please remember that without continued help from people such as yourselves clubs such as ours either close orÂ fail to exist in the first place!
