

Sporting Dynamites First Competition

Saturday 16th May 2009 see's the UKCA Community Nationals Championships which will once again be held at Manchester Velodrome.

Both Sporting Dynamite's teams will be entering in the Pom Dance Class: Teenies (5yrs to 9yrs) and Junior A (under 12yrs).

This is our first ever competition and I am sure all our cheerleaders will need as much support as they can get. Tickets are normally available on the day (if they haven't sold out) and cost a mere £7.50, so if you fancy a good day out that is suitable for all the family then come along let your hair down and have a fantastic time.
