

Junior A Chant

To all Junior A team members. We will change the chant to the one below (In the blue box). The last three lines will be sung one row at a time but you all still need to know the words so learn everything in the box!

Wave your poms

Clap them hands

Stamp your feet

And Shake the stands

Cos Dynamites are here

The Dynamites are here

Dynamites are here

This chant should take 8.6 seconds from start to finish ...

Junior A, start learning this chant ready for Friday. If you have a printer, please print it out and give it to other members of the team. Let as many team members know as you can, by texting, emailing, phoning or printing the chant out and taking them a copy.

Thanks, Sereena
