

Sport Relief 2010 Dance Off - The Result

Well, we had the comments and the attitude, but on the day there was only one thing that really mattered, "who danced the best". Strangely enough both judge 1 and judge 2 had very similar scores but when the final totals were in, it was: (50, 50) for Junior A, against (53, 68) for the challengers.

So it's official - "The parents are the winners!" and if the truth be known they put on a performance worthy of a place at the Nationals - Go Team!

Many thanks to all who took part, making the day a great success - with thanks to the coaches, guest judges Alan and Claire and special thanks to all who made a donation.

Donation raised by Sporting Dynamite on the day was £30
