

National Street Cheer 18th Oct 09, Fenton Manor. Stoke on Trent

Congratulations to both teams who took part in the Nationals. It was a long but fantastic day that was full of surprises, including the introduction of our teams official partners mascot "Bud Man" and our super brand new banners supplied by Emma Littlewood and Natalie Monk's parents. (thanks for all your efforts, wicked banners)

The event was a total success for Sporting Dynamite with both teams coming home with trophies, a special award for Sereena and two dancers entered in the freestyle event, which is a massive achievement in it's self, Well done to Julie, Sereena, both teams and our impressive helpers, who worked tirelessly throughout the whole day - for further details [click here](#) for results [click here](#)
