

StreetCheer Nationals Saturday 20th November 2010

Event: StreetCheer Nationals Competition 2010

Location: Fenton Manor, City Road, Fenton, Stoke-on-Trent ST4 2RR Tel: 01782 233 222

Pick up time: 7.50am (Arrive at Fenton Manor at approximately 9.30am)

Return time: 8pm (Set off from Fenton Manor at approximately 6.30pm)

Cost: £55

Costs were kept down mainly due to help from the Zest foundation and Eastlands Homes who both donated money. Without help from organisations such as these Sporting Dynamite would really struggle and possibly not even survive so as you can imagine we are really proud to have such organisations helping out.

"Say we are proud of you, say we are proud of you!"

StreetCheer Nationals Tickets

If you haven't already got your tickets for this years Streetcheer Nationals, you need to get them Now before they sell out. Tickets are available to purchase online from www.ukca.org.uk by following the link for spectator tickets on their homepage. (They accept most cards as well as Paypal)

Please ensure you purchase tickets for the correct day! We are competing on Saturday the 20th November in the Community section.

Update: Concessions only apply to persons 3 years or under, everybody else entering the event will be required to purchase a ticket at a cost of £10 each (3 years and under do not require a ticket to enter)

If you have any further questions you can contact UKCA direct by telephoning: 01625838557 during office hours.

Please note: The competition costs per person have risen considerably this year due to a number of factors such as increased transport costs £425 (was £160 last year) and increased entry fees £20 per person (a rise of a whopping 33% on last year) but as usual Sporting Dynamite will try to keep the final costs as low as possible by subsidising the final price where possible by using club funds.

The entries for this years StreetCheer nationals will be finalised by the end of this week 29th October. All cheerleaders hoping to dance at this years competition will be required to attend every training session between now and the competition date 20th November 2010, failure to attend any of these final sessions may result in your withdrawal from the competition squad.

StreetCheer is a much faster and more complex dance than Cheerleading and as a result the coaches have had a very difficult time selecting those children who should be given an opportunity to dance. We ask that parents and

cheerleaders alike understand that not selecting a child for the final dance is as difficult for coaches as it is for the child and parent, please help us by accepting your coaches decision!

Please remember that nobody has an automatic position in the final dance squad, it is up to each person to earn their place. As with previous competitions we will be taking substitutes who like the rest of the team will be required to know all of the dance and although they are not guaranteed to dance they must be prepared to stand in at a moments notice making them a vital component of the squad.

Parents/Guardians

The cost of this years spectators fees has also risen by 33% to £10 per person and ticket concessions only apply to persons 3 years and under (in other words if your not 3yrs or under you will have to pay the full £10)

Tickets can be purchased direct from the UKCA WEBSITE

Please note: this is a two day event so make sure you purchase your tickets for the correct day: Saturday 20th November.
