

Happy New Year 2011

2010 was a great year for the club but it couldn't have been achieved without the help of several people, businesses, and funding organisations.

On behalf of Sporting Dynamite I would like to thank everybody who has helped us during the last year (especially the coaches, volunteers and helpers) and wish you all a very Happy New Year for 2011.

Here's wishing good luck, good fortune, and the best of health to everybody, thanks for everything,

Alan Massey
