

UKCA Community Cheerleading Championships 2011

The Community Cheerleading Championships 2011 will once again take place at Manchester Velodrome on Saturday 14th May.

The event entry fee charged by UKCA has remained at £20 per person per category but unfortunately there will be No reduction for early booking (previously £5 per person) so for those of you dancing twice the entry fee alone will be £40 hence the fee for cheerleaders entering two dances will need to increase accordingly.

As usual Sporting Dynamite will attempt to subsidise the competition costs as much as possible but this will still mean a cost of approximately £55 for those of you entering one dance and £95 for those entering two dances. This subsidy will only be possible if everybody pays their competition costs in full, promptly. (The costs shown here are subject to several variables and therefore may have to change, so please use them as a guideline only!)

Any cheerleader who has not paid their 2011 membership or does not pay the competition fees by the due date will be immediately withdrawn from the team (No membership means No insurance which makes you ineligible to enter under UKCA rules). Please note that we will have no option as all fees Must be paid in advance to UKCA and the club does not have funds to cover advance entry fees of £1600 plus outfits purchases taking the overall cost to well over £3000 for the event.

All indications from UKCA show that the Spectators tickets have remained the same price, £10 per person (No concessions)

Coaches

Sereena Hunter (Head coach)
